Tie-Breakers: In the event of a tie, the participating members involved in the tie will split the corresponding prize money and weekly point allocation.

Late Scratch: If a player's Top Selection is a late scratch, the player's new top selection will be the post time favorite. If a player's Top Selection is part of a coupled entry and the top selection scratches, the Top Selection would then be horse(s) remaining in the entry. Example: If a Participant's Top Selection is 1a and the 1a is a gate scratch, his new top selection would be the 1 if that horse is still entered to run.
