Special Wagers:

The Rainbow Pick 6 (RB6) is a 20¢ minimum wager that pays the jackpot carryover to a single, unique winning 20¢ ticket. Multiple winners or "best of sixes" split 60 % of the daily net pool. The remaining 40 % of the daily net pool builds the jackpot carryover.

The 12% Takeout Pick 5's are 50¢ minimum wagers:

The Early Pick 5 (Encompassing the first 5 races) comes with a Mandatory Payout of the daily Early Pick 5 net pool.

The Late Pick 5 (Encompassing the last 5 races) pays the daily Late Pick 5 net pool, along with any carryover from previous pools of that same Late Pick 5 wager to bets which contain all the correct selections. If no bet contains all the correct selections, the daily net pool created is divided with 25% going to "best of fives" and the remaining 75% of the pool carried over to the next program. **ONLY The Late Pick 5 has carryover potential.**

Super High 5 (PF) is a \$1 wager with a 15% takeout; no tickets with first five finishers in exact order results in a carryover to the next race where the wager is offered.
