"The entire Mid-Atlantic region will impose, and strongly urges all Thoroughbred industry stakeholders and regulators to support, the enactment of an immediate prohibition on the use of bisphosphonates in all horses under the age of 4, unless and until the scientific and veterinary community determines that the use of such drugs does not compromise the health and welfare of the horse. The use of bisphosphonates in horses 4 years old and older should be limited to only those horses who have been diagnosed with navicular disease by a veterinarian and for whom the use of such drugs is warranted."

All trainers are required to put up "In Today" sign on the stalls of horses that are running. If an "In Today" sign is not on the stall it could result in a scratch.

For any horses shipping into Laurel that will not be going into the Receiving Barn, please call the Lasix Coordinator Melanie Martin 443-631-4891 to tell her where you will be stabled.

Jockey Antonio Lopez 116 will be represented by Ben Feliciano Sr. 410-971-0115.

Please have available any veterinary records in the event of questions or concerns. Additional scrutiny will also be present in the post parade and at the starting gate.
