Trainers must complete a form for any horse that has not raced for 150 days or more. The form will be submitted, prior to entry, to Equine Medical Director Dr. Elizabeth Daniel at elizabeth.daniel@Maryland.gov. The form must be completed and submitted a minimum of 30 days* before entry and is valid for 60 days from the date of submission. This does not apply to first-time starters.

*This requirement may be waived by Dr. Daniel. You can find the form on the MTHA website.

If a horse has been treated with **thyroxine**, such treatment must be reported to the commission, a veterinarian's prescription and treatment plan must be provided, and the trainer must receive written approval from the commission.
