Run as Pimlico Distaff Breeders' Cup Handicap—1992 to 2005

Allaire duPont was best known as the breeder and owner of the magnificent Kelso, whose record of five consecutive Horse of the Year awards will most likely never be surpassed. However, Mrs. duPont was as much a force in the Thoroughbred industry as Kelso was on the racetrack.

Among the first women elected to membership in The Jockey Club, the owner of the bucolic 1,500-acre Woodstock Farm in Chesapeake City, Md., encouraged many breeders to settle in northeastern Maryland, most notably E.P. Taylor, who established Windfields Farm and moved the great Northern Dancer to Maryland's Cecil County in the late 1960s. When Windfields closed its doors in 1988, Mrs. duPont was determined to maintain a stallion base in the region and was a founding partner of Northview Stallion Station.

Mrs. duPont championed many other causes, chief among them land preservation and equine retirement and rescue operations and was instrumental in the founding of Thoroughbred Charities of America. Among her other causes in the equine community, she was a director of the Grayson-Jockey Club Research Foundation.

While Kelso was the superstar among the horses bred by Mrs. duPont over more than 50 years, she also was the breeder of three horses named Maryland-bred Horse of the Year—Politely (1967 and '68), Best of Luck (1999) and Shine Again (2003)—as well as dozens of additional stakes winners. DuPont died at the age of 92 on January 6, 2006.

*1976—Donetta DQ from 2nd to 4th

All Along (Fr) was horse of the year in both the U.S. and France in 1983 after a campaign which saw her win four Grade/Group 1 races in 42 days—the Prix de l'Arc de Triomphe, Rothman's International, Turf Classic and Washington, D.C., International. She picked up a \$1-million bonus for winning the three North American races.

Bred and owned by Daniel Wildenstein, All Along became the first foreign-based horse to be named horse of the year in the U.S. She was also the first mare to be honored since Moccasin in 1965. The daughter of Targowice—Agujita (Fr) by Vieux Manoir, a foal of 1979, retired after her 5-year-old season as the world's leading money winning mare with earnings of \$3,018,420. She was inducted into Racing's Hall of Fame in 1990.

Rated the best horse he had bred in over 50 years in the business, John A. Manfuso Sr.'s mare All Brandy (1959, by Double Brandy—Alluring, by Tiger) was Maryland-bred champion 3-year-old filly of 1962. During three seasons to race, All Brandy won the Barbara Fritchie, Mermaid, Monumental and Eastern Shore Stakes, placed in three others, and earned \$85,943. All Brandy, who produced 11 foals for Manfuso, died at her breeder's Osufnam Farm in 1987 at age 28.

For 3-year-old fillies in 2017 to 2019

Alma North was named 1971 Maryland-bred Horse of the Year after a 3-year-old season in which she made 27 starts and won or placed 19 times – 12 in stakes. By the time the daughter of Northern Dancer retired in early 1974, she had started 78 times in less than four years, won 23, was second or third in another 32, and earned \$513,597. Her 15 stakes wins included four graded stakes in 1973, topped by Atlantic City's Grade 1 Matchmaker. Counted among 20 stakes-placings were the Alabama, Spinster and 1972 Matchmaker, the latter in which she crossed the wire first after leading throughout while defeating champion Numbered Account, but was disqualified and placed third.

Bred by Dr. Robert A. Leonard and Stanley Bender in the name of J.I.B. Farms, and foaled at Glade Valley Farms in Frederick, Alma North also earned honors as champion Maryland-bred older female in 1972. Campaigned by Eugene Mori, Alma North was retired as a broodmare and produced as her second foal the stakes-winning Buckpasser colt Duns Scotus. She later topped the Keeneland January sale in 1981, selling for \$1 million in foal to Alydar. Dozens of stakes winners descend from Alma North, among them Eclipse Award-winning sprinter Points Offthebench and Grade 1-winning millionaire Iotapa.

*2019—Jais's Solitude DQ from 1st to 6th

Harry F. Guggenheim's two-time Washington, D.C., International winner Bald Eagle was the nation's champion handicap horse of 1960 at age 5. Initially campaigned in England, the Cain Hoy Stable colorbearer was held in high esteem as a 2-year-old in Europe but did not realize his full potential. His next to last start before returning to the U.S. saw him finish 12th, as the second choice, in the Epsom Derby. Sent to Woody Stephens in 1958, Bald Eagle excelled in his homeland. Twice the handsome, 17-hand son of *Nasrullah out of Siama, by Tiger, ventured to Maryland to cap off the season, winning the prestigious D.C., International both times (in 1959 and 1960), once setting a new course record. Bald Eagle also set new track records at Aqueduct, when winning the 1-mile Metropolitan Handicap (1:33.60 while carrying 128 pounds), and the one and a quarter-mile Widener Handicap at Hialeah in 1:59.60. He started a total of 29 times, winning 12 races, all stakes, with 5 seconds and 4 thirds, for earnings of \$692,122.

Retired to Spendthrift Farm following his championship season, Bald Eagle had a somewhat modest career at stud. His most notable offspring were his daughters San San, champion 3-year-old filly in France in 1972, the year she won the Prix de l'Arc de Triomphe; and multiple stakes winner Too Bald (Barbara Fritchie H twice, etc.), dam of champion Capote and million-aire Exceller. Bald Eagle was moved to France in 1972, where he remained until his death in 1977.

Barbara Fritchie (1766-1862) of Frederick, Md., was immortalized in the ballad written by John Greenleaf Whittier. Legend has it that Barbara Fritchie waved the Union flag out the window of her home while Stonewall Jackson and his Confederate troops marched through Frederick on their way to Harpers Ferry in 1862. Impressed by the old lady's strength of character, Jackson ordered that she (and the flag) be left unharmed. A replica of Barbara Fritchie's house serves as a museum for Civil War and Frederick memorabilia.

Run on main track 2016, 2021

One of the most decorated Maryland-breds in history, four-time Maryland-bred Horse of the Year Ben's Cat was a fan favorite every year he ran. Bred, owned and trained by Hall of Famer King T. Leatherbury, the nearly black gelded son of Parker's Storm Cat was a racing legend. He raced through age 11, retired with a record to 32 wins from 63 starts, and earned more than \$2.6 million. Injured as a young horse, he didn't make his first start until 4—and then proceeded to win his first eight starts. With his fifth win in the 2016 Jim McKay Turf Sprint on Preakness weekend, he took title to having the most stakes wins by any Maryland-bred in history, with 26. He captured the Mister Diz Stakes an astounding six times, and the Parx Dash-G3, Maryland Million Turf Sprint and Fabulous Strike Handicap three times each. In addition to his state-bred Horse of the Year titles, he was named champion turf runner five times and older male and sprinter four times, for a total 17 championship titles. He made his final start in June 2017 and moved to a new home in Kentucky to live his retirement, but died less than a month later due to complications from colic. Later that year he was recognized with the 2017 Secretariat Vox Populi Award – the “Voice of the People”award – with record-breaking voter participation. The award is presented to the horse whose popularity and racing excellence best resounded with the American public and gained recognition for Thoroughbred racing.

For Maryland-bred fillies— 1978 to 2004

Beyond The Wire is an industry-wide initiative between the Maryland Thoroughbred Horsemen's Association, the Maryland Jockey Club, the Maryland Horse Breeders Association and Maryland jockeys, designed to facilitate safe and enriching placements for retired Maryland based racehorses. Established in 2017, Beyond The Wire operates through generous annual pledges by involved organizations, in addition to owners' contributions of \$11 per start. Beyond the Wire places retired Thoroughbreds exclusively with Thoroughbred Aftercare Alliance-accredited farms. Horses that go through the program receive retraining and rehabilitation as needed.

Another important goal of the program is to provide education and advocacy surrounding the issue of responsible retirement of racehorses.

The Caesar’s Wish Stakes for 3-year-old fillies ran from 1978 through 2017 until renamed the Beyond The Wire Stakes. It was restricted to Maryland-breds from 1978 to 2004.

Maryland-bred Caesar’s Wish, a 1975 daughter of Proudest Roman out of Primper, by Art Market, was near the very top of her generation at 2 and 3. Named Maryland-bred champion filly both those years, she won or placed in 13 of 16 starts and earned \$314,507 for her owner, Mrs. Sally Gibson. Trained by Richard W. Small, Caesar’s Wish was bred by Nathan Cohen, former Pimlico vice-president and son of former Pimlico president, Herman Cohen.

Trainer Dickie Small considered the filly as one of his greatest racing achievements, “She didn’t make the most money, but she was definitely the fastest horse I’ve ever had.” Caesar’s Wish won five stakes at 2, and her four stakes wins at 3 included the Black-Eyed Susan and Mother Goose. Trying to seal her bid as the nation’s best 3-year-old filly in 1978, Caesar’s Wish went to Saratoga for the Alabama Stakes. The result was tragic. Sent off as favorite, the chestnut filly died of a heart attack at the top of the stretch.

Caesar’s Wish was inducted into the Maryland-bred Thoroughbred Hall of Fame in 2018.

For Maryland-breds—1966 to 2004

Run on turf course 1985

The first Maryland-bred to be honored as the nation's Horse of the Year (Cigar was the second in 1995), William Brann's Challedon was awarded the title in 1939 and 1940. The bay son of *Challenger II was foaled at his breeder's Branncastle Farm (years later known as Glade Valley Farm) near Frederick in 1936. Winner of the Preakness Stakes, to the delight of the hometown crowd, Challedon is also the only horse to have won two Pimlico Specials. He was retired in 1942—after winning or placing in 24 stakes, setting a new world record for 1 $\frac{3}{16}$ miles (1:54.3) at Keeneland, finishing third or better in 33 of his 44 starts, and earning \$334,660.

Challedon entered stud in Kentucky in 1943. Sire of 13 stakes winners, he died in January, 1958. Challedon was inducted into the National Racing Hall of Fame in 1977 and became a member of the inaugural class of the Maryland-bred Thoroughbred Hall of Fame in 2013.

Grade 3—2005 to 2010; 2019 to present

Run as Hirsch Jacobs Stakes 1975 to 2009

Racing industry legend Charles John “Chick” Lang, known far and wide as “Mr. Preakness,” spent his lifetime working around the race track. A son of 1928 Kentucky Derby-winning jockey Chick Lang and grandson of 1903 Kentucky Derby-winning trainer John Mayberry, Lang was born and raised in Baltimore, not far from Pimlico, and took his first official job when he was 12 as a “gopher” for his uncle at Pimlico. Lang held many jobs in racing, including trainer, jockey’s agent (most notably for Hall of Fame rider Bill Hartack) and racing official.

First as the director of racing, then as vice-president and general manager of Pimlico for 20 years, Lang worked tirelessly to promote the Preakness until his retirement in 1987. He was instrumental in having the Pimlico infield opened to fans on Preakness Day, introducing the idea in 1965 when bringing in a busload of his daughter’s friends to the infield to watch the races. His escapades to promote the middle jewel of the Triple Crown were memorable, arriving at the Kentucky Derby with promotional items proclaiming “Next Stop Preakness.”

Upon retirement from track management, Lang continued to promote racing. His work included that of racing analyst for WBAL radio, which garnered two Eclipse awards; director of horsemen’s relations for Triple Crown Productions; and consultant for Lone Star Park. He was also instrumental in the founding of the Maryland Million in 1986. During his career, he was awarded certificates of distinguished citizenship by three Maryland governors and was honored by the National Turf Writers, Jockey Agents Association, Maryland Jockey Club and Maryland Racing Media Association. The first Maryland-bred Breeders' Cup Classic-G1 winner, Concern made a career of heart-stopping, gritty performances while amassing \$3,079,350 over three seasons of competition.

Bred by leading Maryland breeder Robert E. Meyerhoff, Concern was a son of Meyerhoff's homebred Maryland-bred Horse of the Year Broad Brush. Trained by Richard "Dickie" Small, who also trained Broad Brush, Concern got his first stakes win in the Grade 2 Arkansas Derby in the spring of his 3-year-old season. Bypassing the Kentucky Derby, Concern finished a fast-closing third in the Preakness Stakes-G1. Furious rallies saw him hit the board in that summer's Ohio Derby-G2 (second), Round Table Stakes-G3 (third) and Haskell Invitational Handicap-G1 (also third), the latter his first meeting with division leader Holy Bull. When the two met again in Saratoga's Travers Stakes-G1, Concern was nearly 22 lengths behind the front-running Holy Bull in the early stages before making his run. Catching Holy Bull in the stretch, they two ran as a team to the wire, with Holy Bull holding on by a neck. Concern later hit the board in the Grade 1 Super Derby and Grade 2 Molson Million-G2.

In his 14th, and final, start of 1994, he captured the Breeders' Cup Classic at Churchill Downs. He raced at 10 tracks during his 3-year-old season, earned \$2,541,670, ran in a dozen stakes and was never worse than third. He was runner-up for the 3-year-old Eclipse Award to Holy Bull (who also was named Horse of the Year). He earned more money in a single season than any Maryland-bred in history and took the title as Maryland-bred Horse of the Year and champion 3-year-old while Broad Brush ranked as the nation's leading sire by progeny earnings.

Racing one more year, Concern earned an additional \$511,900 from nine starts while winning the Grade 1 Californian Stakes and Grade 3 New Orleans Handicap and finishing third behind legendary Maryland-bred Cigar in the Oaklawn Handicap-G1 and Pimlico Special-G1. For a time in 1995, Concern was the leading Maryland-bred money earner in history, surpassing his sire Broad Brush. He retired to Northview Stallion Station in Chesapeake City as the richest runner to enter stud in the state, where he sired his most illustrious runner, two-time Eclipse Award-winning steeplechaser, millionaire and Hall of Famer Good Night Shirt. Concern became a member of the Maryland-bred Thoroughbred Hall of Fame in 2014. Moved to Oklahoma Equine Thoroughbred Stallions in 2004 to stand at stud, he died in March 2015 at age 24.

For 3-year-old fillies in 1986; run as Conniver Handicap 1990 to 2002

Maryland-bred Conniver was named the nation's top handicap mare in 1948 for a season in which her wins included the Brooklyn (defeating Gallorette and Stymie), Beldame, Comely and Vagrancy Handicaps. The brown daughter of Discovery out of The Schemer, by *Challenger II, was bred by Alfred G. Vanderbilt, and owned by Harry LaMontagne, who had purchased Conniver as a yearling for \$2,500. The gawky, 17-hand mare was undistinguished at 2 and 3 and was nearly sold as a polo pony prior to the 1948 season. When she retired in 1949 at age 5, she had earned \$227,825 from 56 starts, with 15 wins, 3 seconds and 6 thirds.

Conniver produced six foals through 1962. Her first two foals were stakes winners Plotter and Clandestine. She was inducted into the Maryland-bred Thoroughbred Hall of Fame in 2021.

International queen Dahlia was one of the preeminent turf runners in the world of the mid-1970s and retired in 1976 after her 6-year-old season as the world's leading money winning distaffer. In 48 starts made in France, Ireland, England, Canada, Italy and the U.S., Dahlia won 15 times, was second three times and third in seven more, for a career total of \$1,543,139. She was voted England's racehorse of the year twice and was named champion grass horse in the U.S. (a category that included males) in 1974.

During her 3-year-old campaign, Dahlia was shipped from her base in France by trainer Maurice Zilber to contest the Washington, D.C., International-G1 at Laurel, her only U.S. start that season. She galloped away to a three and a quarter length victory over Big Spruce. Bred by her owner, Nelson Bunker Hunt, Dahlia was from the first crop of champion *Vaguely Noble out of Charming Alibi (by Honeys Alibi). The chestnut mare was a member of the remarkable crop of 1970 that included Secretariat, Forego, Mr. Prospector and Allez France, the latter one of her fiercest competitors. As a broodmare, Dahlia proved just as remarkable, producing Grade 1-winning millionaires Dahar and Rivlia, additional Grade 1 winners Delegant and Dahlia's Dreamer, group/graded winners Wajd and Llandaff, plus stakes placed Decadrachm and Dahlia's Image, from 11 foals to race. Dahlia was inducted in the Racing Hall of Fame in 1981. Pensioned as a broodmare in 1996, Dahlia was euthanized at the age of 31 on April 6, 2001.

Dave’s Friend was the first pure sprinter to earn over \$1 million. Making his first start at age 3 in 1978, Dave’s Friend started 76 times over nine seasons and retired at age 11 with 35 victories, 16 seconds and eight thirds for total earnings of \$1,079,915. He retired as Maryland’s all-time leading money winner. The Maryland-bred Horse of the Year of 1980, Dave’s Friend earned state-bred championship honors as a 3-year-old as well, the year he went undefeated sprinting and also stretched out to win the Marylander Handicap at Pimlico at a mile and an eighth. Dave’s Friend won 17 stakes, the richest being two runnings of the \$100,000 Count Fleet Sprint Handicap, which he won back-to-back at ages 8 and 9, the second score coming at the expense of that year’s Eclipse Award-winning sprinter Eillo.

Dave’s Friend launched his career at Pimlico and won stakes at nine different tracks. He set track records at four different tracks—his mark of :57 for five furlongs set in 1980 at Laurel Park still stands today. Bred by Robert Beall (by Beall’s own stallion Friend’s Choice out of Duc’s Tina, by Duc de Fer), Dave’s Friend was rejected by a yearling sale’s selection committee due to his modest pedigree and an injured eye. Beall kept and trained the gelding until selling him privately, in a package deal with Skipper’s Friend, to Eclipse Award-winning owner John Franks for a reported \$500,000 in 1981. The deal was a good one for Franks, as Dave’s Friend, under the care of Jack Van Berg, earned more than \$500,000 under his colors. Many consider Dave’s Friend one of the best horses never to be honored an Eclipse Award. He finished second in the balloting to Plugged Nickle in 1980.

Dave’s Friend died on June 14, 2006, at the late John Franks’ farm near Shreveport, La., at the age of 31. He was inducted into the Maryland-bred Thoroughbred Hall of Fame in 2016.

For 3-year-old Maryland-breds from 1986 through 2008

Deputed Testamony, the 1983 Preakness winner and the last of eight Maryland-breds to capture the classic, was named Maryland-bred champion 3-year-old colt that season. The son of Bonita Farm stallion Traffic Cop out of Proof Requested was bred by his trainer J. William Boniface's Bonita Farm and owned in partnership with Francis P. Sears.

On Preakness Day 1984, Deputed Testamony won the City of Baltimore Handicap at Pimlico and set a new track record for 1½ miles (1:40.80) that stands to this day. That would be the colt's final start, and he was retired to stud at Bonita Farm. He made 20 trips to the post in his career, won 11 times, with three seconds, and earned \$674,329. Deputed Testamony became one of Maryland's top sires. He was retired from active stud duty after the 2004 breeding season and lived as a pensioner at Bonita Farm until his death at age 32 in September 2012. He was inducted into the Maryland-bred Thoroughbred Hall of Fame in 2017.

Find ranked as Maryland's all-time leading money winner from the 1950s until 1982, when Jameela surpassed him. Alfred Vanderbilt's durable gelding had earned \$803,615 over eight years in which he started 110 times, won 22, with 27 seconds and 27 thirds. He won or placed in 51 stakes. From the same remarkable Sagamore Farm foal crop of 1950 that produced Vanderbilt-bred stakes winners Native Dancer and Social Outcast, Find retired to Sagamore Farm in Glyndon, Md., in 1961, and lived out his days as a companion for the farm's barren and maiden mares up until his death in 1979 at the age of 29. He was inducted in the inaugural class of the Maryland-bred Thoroughbred Hall of Fame in 2013.

Quick and durable, Fire Plug won stakes every year from ages 3 to 7. Campaigned by his breeder Arthur Appleton and trained by Bob Camac, the popular gelding won or placed in 49 of his 54 lifetime starts, mostly sprinting. Half of his 28 victories came in stakes, including the J. Edgar Hoover, Maryland Breeders' Cup and Roman Handicaps. The son of King of the North—Fire Exit, by Sizzling John, retired in 1991 at the age of 8 after placing in three stakes that season and winning the final start of his career. He earned \$705,175.

Frank J. De Francis was president and chairman of the board of both Laurel and Pimlico at the time of his death in August 1989. A lifelong racing fan, De Francis, who had an extensive law practice in which he specialized in international and corporate law, purchased his first Thoroughbreds (five yearlings) in 1957. He owned Walnut Grove Farm in Clarksville, Md., and also had a racing stable. But it was his leadership of running Laurel and Pimlico, and the growth of Maryland racing that followed during the 1980s, for which he is best known.

Frank Whiteley Jr., a native of Centreville, Md., took out his trainer's license in Maryland at age 21 in 1936. In 1978, he was inducted into the National Racing Hall of Fame. During his career of nearly 50 years, he trained such brilliant runners as Horses of the Year Damascus (winner of the 1967 Preakness and Belmont Stakes) and the mighty gelding Forego, Preakness winner Tom Rolfe, and the most special of all, the great filly Ruffian. Whiteley retired from training in 1984 and lived in Camden, S.C., where he died on May 2, 2008, at 93.

Run as Gallorette Stakes prior to 1967; Run on main track from 1952 to 72, 79, 80, 84, 86, 87, 92, 95, 96

First graded 1973

William L. Brann's Gallorette retired from racing in 1948, at age 6, as the world's leading money-winning mare, with earnings of \$445,535. During her four seasons to race, the big chestnut won 21 of 72 starts and won or placed in 39 stakes, most against the likes of Stymie, Armed and Assault in the open handicap ranks. Gallorette's stakes wins included the Pimlico and Delaware Oaks, and the Brooklyn, Metropolitan and Beldame Handicaps. She was champion handicap mare of 1946.

Bred by Preston Burch (on a foal sharing agreement with Brann), Gallorette was foaled at Brann's Branncastle Farm near Frederick, Md. The daughter of *Challenger II out of the *Sir Gallahad III mare Gallette was sold by Brann late in the 1948 season to Mrs. Marie A. Moore, who retired the mare to her broodmare band in Virginia. Gallorette's best foal to race was her first, Mlle. Lorette, who set a track record at Pimlico while winning the 1954 Gallorette Stakes.

In a poll conducted at Delaware Park in 1955, trainers voted Gallorette the best race filly in the history of the American turf. Gallorette was inducted into Racing's Hall of Fame in 1962 and into the inaugural class of the Maryland-bred Thoroughbred Hall of Fame in 2013.

For registered Maryland-breds 2006 to 2008
Run on turf 2007

Maryland-bred Horse of the Year of 2000, Skeedattle Associates (Willie White, Lou Rehak and Bob Orndorff)'s talented filly Gin Talking was a state-bred champion at 2 and 3, and sealed her bid for the state's top award by defeating "the boys" in the Broad Brush Stakes at Laurel Park. In 2000, she also captured the Grade 3 Anne Arundel Stakes by four lengths and won the Maryland Million Oaks by nearly seven lengths. Undeclared in four starts at 2, including the Maryland Million Lassie, Maryland Juvenile Filly Championship and Heavenly Cause Stakes, Gin Talking was stakes-placed in the winter of 2001 before being retired and bred that season. Her first foal, a daughter of Dixieland Band born in 2002, is the graded stakes-winning filly Dixie Talking; her second foal is stakes-placed Keep On Talking. Both were campaigned by Skeedattle Associates, as was Dixie Talking's son Done Talking, winner of the Illinois Derby-G3.

Gin Talking was bred by Barbara Cross Graham, who sold the filly as a yearling for \$40,000. Trained during her juvenile campaign by Hamilton Smith, Gin Talking—a somewhat temperamental filly—was transferred to Robin Graham's barn during her 3-year-old season. A daughter of Allen's Prospect out of Chattin (by Rollicking), Gin Talking made 11 career starts, won seven, with one second and one third, and earned \$348,206. She died of foaling complications at the age of 13 in February 2010.

Restricted to Maryland-bred 2-year-old fillies to 1985 to 2003

Ryehill Farm-bred Heavenly Cause was awarded the Eclipse award as champion 2-year-old filly of 1980. The huge roan daughter of *Grey Dawn II out of Lady Dulcinea by Nantallah, trained by Woody Stephens, counted two Grade 1 races—the Selima and Frizette Stakes—among her four stakes wins at two. At three, the filly won four straight stakes, including the Fantasy-G1, Kentucky Oaks-G1 and Acorn-G1. Voted Maryland-bred champion filly at both 2 and 3, Heavenly Cause retired with 9 wins, 4 seconds and 2 thirds from 21 starts, earning \$622,481. She was inducted into the Maryland-bred Thoroughbred Hall of Fame in 2020.

As a broodmare, Heavenly Cause produced three stakes horses including leading Maryland sire Two Punch, sire of Eclipse Award-winning sprinter Smoke Glacken and 2001 Heavenly Cause Stakes winner Bronze Abe. In 1992, Heavenly Cause was sold at public auction and exported to England, where she produced her final foal in 1997.

A handicap for 3-year-olds 1975 to 1981; for 3 & up 1985 to 1987

Maryland native Arnold Heft lived a long and rich life that revolved around sports. The longtime horse owner campaigned the likes of two-time Maryland Million Classic-winning millionaire Eighttofasttocatch and multiple stakes winners Red's Round Table, Pulverizing and Baldski's Choice.

His sports background included pitching in the minor leagues, officiating in the NBA and being a co-owner of the Baltimore, later Washington, Bullets, while also operating successful real-estate and construction businesses. He served on the Maryland Thoroughbred Horsemen's Association board of directors, was a past president of the Home Plate Club of Washington, and was a member of the Washington Metropolitan Area Basketball Hall of Fame and the Greater Washington D.C. Jewish Sports Hall of Fame. Heft died in March 2014 at the age of 94.

Henry S. Clark, the “dean of Maryland trainers,” spent 80 of his 95 years on the backstretch of Maryland’s race tracks and remained active until his death in February 1999. The grandson of famed Maryland horseman William Jennings Sr., Clark was honored with induction into the Racing Hall of Fame in 1982.

Early in his career, Clark was selected by Liz Whitney to train her stable of runners and he sent out his first stakes winner, Blue Cyprus, for Whitney at Garden State in 1944. In the late 1940s, Clark began his relationship with Harry and Jane Lunger, training the talented Christiana Stables horses. Among those under his care were two-time Delaware Handicap winners Obeah (the dam of future Christiana Stables champion Go for Wand) and Endine, champion Tempted, Travers winner Thinking Cap, Belmont Futurity winner and top sire Cyane, and Blue Grass Stakes winner Linkage, who finished second in the 1982 Preakness Stakes.

Run as Howard M. Bender Memorial Stakes 2016

Longtime leading Maryland owner/breeders Howard and Sondra Bender were fixtures at Maryland tracks for nearly four decades. Together, they won more than 500 races and their horses earned in excess of \$14 million. Among their stable stars were such graded stakes winners as Secret River, Foufa's Warrior, Promenade Girl, Green Darlin and London Lane, as well as the remarkable La Reine's Terms.

Based at Glade Valley Farm near Frederick, the Benders were named Maryland Horse Breeders Association Breeders of the Year three times—in 2001, 2002, 2003—and Howard received the award twice more, in 2014 and 2017, and was named the Thoroughbred Owners and Breeders Association's Maryland Breeder of the Year. He was also a longtime member of the Maryland Thoroughbred Horsemen's Association board of directors and received the Maryland Racing Media Association's Humphrey S. Finney Award for lifetime contributions to the Maryland racing. Sondra passed away at the age of 78 in February 2012; Howard died in late September 2015 at age 84.

Jameela, whose name is Arabic for “beautiful”, was the first Maryland-bred to go over the \$1-million mark in earnings. The daughter of Rambunctious—Asbury Mary, by Seven Corners, foaled in 1976, retired after four seasons with career earnings of \$1,038,704. She finished fourth or better in 52 of her 58 starts. Raced during part of her career by her breeder, Betty Worthington, of Bel Air, Md., Jameela was sold to Peter Brant in 1981 for \$840,000. The two-time Maryland-bred Horse of the Year (1981 and 1982) won 16 stakes, including Grade 1 victories in the Maskette Stakes and the Ladies and Delaware Handicaps.

Retired after the 1982 season, Jameela produced two foals for Brant (both by Mr. Prospector) before she died of colic in 1985. Her first foal, Gulch, earned over \$3 million, won the 1988 Breeders' Cup Sprint-G1 and was named Eclipse Award-winning sprinter that year. Gulch went on to become one of the nation's most respected sires. His sons include champion 3-year-old Thunder Gulch, sire of Horse of the Year Point Given. She was inducted in the inaugural class of the Maryland-bred Thoroughbred Hall of Fame in 2013.

Longtime horseman Jim Lewis was a well-known and well-liked member of the racing community in Maryland. The first president of Maryland Million Ltd. and a past-president of the Maryland Horse Breeders Association, he had purchased his first Thoroughbreds in 1966 and moved to what would later be known as Lewisfield Farm in Hydes, Md., in 1968. Initially having Grover (Bud) Delp as his trainer, Lewis eventually took out his trainer's license. His daughter, Lisa Lewis, also became a trainer, taking out her license in the early 1990s at the age of 20.

Lewis bred and/or campaigned a number of prominent runners in the region, including Maybellene, winner of the Test Stakes-G2 in 1974, multiple stakes winner Swift Attraction and Heartful. The latter, winner of the Grade 3 Flirtation Stakes, was bred, owned and trained by Lewis, and went on to produce stakes winners Noblest Heart, Burts Star and Salvage Consultant from five foals. She is also the granddam of Oliver's Twist, runner-up in the 1995 Preakness Stakes-G1. Lewis also bred top Maryland-bred handicap horse Duckhorn, an earner of \$747,812.

Lewis died of a heart attack on May 15, 2012, at the age of 72.

William Jennings Sr. was one of Maryland's all-time great horsemen. Jennings, whose Glengar Farm was located six miles from Pimlico race track, on Smith Avenue, achieved national prominence in the late 1800s, as his good horses included 1887 Preakness winner Dunboyne, whom he bred, owned and trained. His heritage continued through his grandson, Hall of Fame trainer Henry S. Clark, regarded by many as the dean of Maryland trainers.

Famed broadcaster Jim McKay was one of the most recognizable personalities in sports. And in Maryland, he was known as the man who created the Maryland Million.

Born James McManus in Philadelphia, Pa., McKay went to Loyola College in Baltimore and took his first reporting job with the Baltimore *Evening Sun* in 1946. The next year, McKay was chosen to be an on-camera personality for Baltimore's first television station, WMAR-TV. He was on the air on the station's first live telecast done outside the studio, which was broadcast from Pimlico in October 1947.

McKay's television persona grew—he moved to New York to work for CBS in 1950, and then accepted the position for which he was best known, as host of ABC's "Wide World of Sports," in 1961. He covered a variety of sports, including many horse racing events, but has always been widely acknowledged by any sports fan as the voice of the Olympics. During his career, McKay earned numerous awards, including 13 Emmys and an Eclipse Award of Merit. He was a member of the Sportscasters and Sportswriters Hall of Fame and the Television Academy Hall of Fame.

In 1984, while returning from the inaugural Breeders' Cup, McKay conceived the idea of having such an event in Maryland. Within two years, the Maryland Million was launched, and it has become one of the most important events on Maryland's racing calendar. In 1987, McKay and his wife Margaret, whom he married in 1948, won the second running of Maryland Million Nursery with Sean's Ferrari, a colt bred by Margaret. Jim McKay died on June 7, 2008 — Belmont Stakes day — at the age of 86.

He held the same position at Bowie in 1952 and 1953 (which ran during the winter while New York was dark). John B. Hall of Famer King T. Leatherbury dominated Maryland racing for decades, is one of six trainers in history with more than 6,000 career wins and has 52 training titles to his name in Maryland, 26 apiece at Laurel Park and Pimlico, and another four at Delaware Park. He won at least 200 races for 11 straight years from 1974 through 1984, led all American trainers in victories in 1976 and 1977, and had 100 or more wins for 26 consecutive years (1972 through 1997). His 6,500th victory came on Sept. 22, 2018, with 16-1 long shot Happy Lantern.

The Maryland native got his first winner early 1959 at Sunshine Park, now known as Tampa Bay Downs, with a horse named Mister L. He has sent out the winners of more than 150 stakes, led by the remarkable Ben's Cat, the four-time Maryland-bred Horse of the Year who won 32 of 63 starts, holds the record for number of stakes wins for a Maryland-bred with 26, and won the Mister Diz Stakes a record six times while earning more than \$2.6 million. Leatherbury's other top-class runners include Grade 1 winners Taking Risks and Catatonic, top 2-year-old filly Thirty Eight Go Go and her sire, the hard-knocking handicap horse Thirty Eight Paces. Leatherbury was elected to the National Racing Hall of Fame in his first time on the ballot in 2015 at age 82.

The only two-time winner of the Frank J. De Francis Memorial Dash, Lite the Fuse took the 1995 and '96 renewals in near identical time of 1:08.81 and 1:08.89, less than a second off the track record. Appropriately named, he won the 1995 Dash in searing, 100 degree heat. The handsome bay son of Buckaroo—Annie's Dream, by Droll Role, was one of the best sprinters of his generation. In addition to his De Francis Dash victories, he won four other stakes, including consecutive runnings of the Grade 1 Carter Handicap. He also placed in 10 stakes, all graded. When he retired at the end of his '96 campaign at the age of 5, he hit the top three in 19 of 21 starts, earning \$1,036,882.

Lite the Fuse was bred, owned and trained by Richard E. Dutrow, who retired his star to stud at Vinery in Midway, Kentucky in 1997. He later stood for a number of years in Pennsylvania.

Maryland Racing Writers' Handicap—1992 to 2000

The Maryland Racing Media Association was organized under the name of the Maryland Racing Writers' Association in 1937 and held its first meeting at Havre de Grace race track. Originally restricted to members of the print media, the membership now includes members from television, radio, publicity and photojournalism as well. The purposes of the association are: 1) enhancement of Thoroughbred racing through accurate reporting; 2) assistance to young backstretch workers in need of financial aid for college tuitions; 3) a closer relationship among those who disseminate information about Thoroughbred racing; 4) a strong, unified voice when seeking redress for grievances against any offender. To reflect the diversity of the media covering Thoroughbred racing, the organization changed its name to the Maryland Racing Media Association in 2000.

*1996— Twice As Special DQ from 3rd to 4th

Maryland-bred Miracle Wood, a son of Baederwood out of Age of Miracles, by Dedimoud, was raced by his breeder Albert (Bert) Allen and trained by Allen's son Ferris. The gelding's active 2-year-old campaign, in which he made 13 starts and won three stakes, culminated with a victory in the Maryland Juvenile Championship Stakes. Miracle Wood joined the classic trail in 1986, and among his preps for that year's Preakness was a second-place finish to Broad Brush in the Jim Beam Stakes-G3. In the Preakness, Miracle Wood went off as the longest shot on the board at more than 20-1 and finished a respectable fifth to winner Snow Chief, and less than two lengths behind third-place finisher Broad Brush. At 2 and 3, Miracle Wood won or placed in 13 stakes.

Miracle Wood raced six more seasons. By the time he retired in 1992 he had started 117 times, with 14 victories, 16 seconds and 25 thirds, and earnings of \$498,090.

Miss Disco, bred by Alfred G. Vanderbilt and foaled at Sagamore Farm in Glyndon, Md., left a lasting mark on the breed as the dam of Bold Ruler. A daughter of Discovery out of Outdone, by Pompey, thus a year-older full sister to top handicap horse and nine-time stakes winner Loser Weeper, Miss Disco was born in 1944 while Vanderbilt was away at war and sold as a yearling. Purchased for \$2,100 by Sidney Schupper, the bay filly went on to become a stakes winner of \$80,250, counting among her victories the Test Stakes.

In 1950, A.B. Hancock Jr. acquired Miss Disco on behalf of Mrs. Henry Carnegie Phipps as a broodmare prospect. Miss Disco produced four stakes horses for Phipps' Wheatley Stable, all by *Nasrullah. Bold Ruler, her fourth of 11 foals, was named 1957 Horse of the Year and champion 3-year-old colt, and 1958 champion sprinter. The nation's leading sire eight times, Bold Ruler is best known as the sire of Secretariat. Miss Disco was awarded the title of 1958 Broodmare of the Year by the Kentucky Thoroughbred Breeders Association.

Run as Native Dancer Handicap 1966 to 2002

*2006—Your Bluffing DQ from 1st to 2nd; 2010—Greenspring DQ from 1st to last

Alfred G. Vanderbilt's Native Dancer, the magnificent gray son of Polynesian—Geisha, by Discovery, was Horse of the Year at 2 (sharing the title with the 3-year-old One Count) and again at 4, champion 2 and 3-year-old and champion older horse. Trained by Bill Winfrey, Native Dancer, a foal of 1950, won 21 of 22 starts from 2 to 4 and earned \$785,240. His 18 stakes victories included the Preakness, Belmont and Travers. Native Dancer's only loss was in the Kentucky Derby. Following a terrible trip, he finished second, a head behind Dark Star.

Native Dancer, bred by Vanderbilt, was foaled in Kentucky. Upon his retirement from racing, Native Dancer entered stud at Vanderbilt's Sagamore Farm in Glyndon, Md., where he remained until his death in 1967. Native Dancer was buried at Sagamore.

As a sire, Native Dancer's influence has been immeasurable. The sire of 45 stakes winners, Native Dancer's foals included champion Raise a Native, sire of leading sires Mr. Prospector and Alydar, and Natalma, the dam of Northern Dancer.

Run as Queen Isabella Stakes to 1993

Nellie Morse is one of five fillies to win the Preakness Stakes, a feat she accomplished in 1924. The daughter of Luke McLuke—La Venganza, by Abercorn, had also won the Pimlico Oaks—three days prior to the Preakness. The \$54,000 winner's share of the Preakness purse boosted her 1924 earnings to \$60,250, tops among fillies that year.

As a broodmare, Nellie Morse left a legacy. Her daughter Nellie Flag, champion 2-year-old of 1934, was the favorite for the Kentucky Derby the following season (she finished fourth). Nellie Flag also raced in the Preakness, finishing a disappointing seventh. However, descendants of Nellie Morse, through Nellie Flag, include three-time horse of the year Forego, Kentucky Derby winner and champion 3-year-old Bold Forbes and champion handicap mare Mar-Kell.

Not For Love dominated the Maryland sire ranks for more than a dozen years. The son of Mr. Prospector was named Maryland Stallion of the Year a record 13 times, was the first stallion in Maryland history to surpass \$6 million in progeny earnings in a single year in 2008, which was a record for any stallion standing outside of Kentucky, and was the nation's leading sire by North American earnings standing outside Kentucky from 2003 to 2010. Making his entire career at Northview Stallion Station in Chesapeake City, he produced durable and sound runners, as more than eight of every 10 of his foals have started, and more than 80 percent of his runners are winners. The sire of 91 stakes winners, his runners have earned more than \$82 million through 2022. His leading runner is millionaire son Eighttfasttocatch, and as a broodmare sire he is represented by two-time Horse of the Year California Chrome.

Not For Love was retired from the breeding shed in March 2015, and died at age 26 in May 2016. He sired 19 crops, with his final crop born in 2015.

☆—Triple Crown winner. First graded 1973

Preakness (1867, by Lexington—Bay Leaf, by *Yorkshire) made the first start of his career in the 1870 Dinner Party Stakes, run at Pimlico's inaugural meeting. Milton H. Sanford's massive colt won his only 3-year-old start handily. Preakness had a distinguished career in America while racing to age 8, then was shipped to England, where he won the Brighton Cup. The horse was purchased by the Duke of Hamilton to stand at stud in England.

It is written that years later the Duke, in a fit of anger, shot and killed Preakness following an incident in the horse's stall, thereby setting off great reform in English laws governing the handling of animals.

The word Preakness is Indian, meaning "quail woods," originally spelled "Pra-qua-les" by the Minisi Indians who settled in northern New Jersey. Milton H. Sanford had two farms—in Kentucky and northern New Jersey—and named them both Preakness. Sanford gave the same name to the yearling he had purchased from A.J. Alexander for \$2,000.

Champion handicap mare at 4 in 1962, Primonetta just missed being named champion at 3. The chestnut daughter of Swaps out of Banquet Bell, by Polynesian, won or placed in 21 of her 25 starts from 2 to 4, earning \$306,690. She won nine stakes, including the Alabama and Spinster Stakes and Delaware Oaks.

A full sister to champion Chateaugay, John Galbreath's filly was retired to Darby Dan Farm in Kentucky where she produced four stakes winners. Named Broodmare of the Year in 1978, Primonetta produced her last foal in 1980. The mare lived out her life as a pensioner at Darby Dan Farm in Ohio, where she died at the age of 35 in January 1993.

*1997—Deadheat for 2nd

Run as Broad Brush Stakes 1988 to 2013. For 3-year-olds 1995 to 2000. Run on turf course 1988 to 1990

Richard “Dickie” Small was one of Maryland’s most successful and respected trainers. His modest-sized stable turned out a high number of stakes winners, including Robert Meyerhoff’s multimillionaire and four-time Grade 1 winner Broad Brush, and Broad Brush’s son Concern, winner of the 1994 Breeders’ Cup Classic-G1 and an earner of more than \$3 million. Born in Baltimore and a member of a well-known Maryland racing family, Small didn’t turn to training until after serving two tours of duty in Vietnam as a Green Beret. Taking over the stable from his father Doug in 1974, Small won a stakes race in Maryland every year but one from 1974 to 2014. He also won Grade 1 stakes with millionaire Valley Crossing, top 3-year-old filly Caesar’s Wish and older mare Tactile.

Small was equally noted for helping launch the careers of female riders, among them Andrea Seefeldt, Jerilyn Brown, Rosie Napravnik and Forest Boyce. He remained active as a trainer until his death from cancer in April 2014 at age 68.

Robert T. Manfuso was one of the most dedicated and vocal leaders in Maryland's Thoroughbred industry for decades. The former owner of the Maryland Jockey Club with his brother Tom Manfuso and Frank De Francis, Bob Manfuso served on the boards of Breeders' Cup Ltd., Thoroughbred Charities of America, Howard County General Hospital, the Maryland Horse Breeders Association and Maryland Thoroughbred Horsemen's Association. He established Chanceland Farm in West Friendship near the Howard County Fairgrounds with Katharine Voss in 1987, transforming it to accommodate broodmares as well as adding a training track. Top-class runners bred and raised at the farm include Breeders' Cup Sprint-G1 winner Aloha West, Kentucky Oaks-G1 winner Cathryn Sophia and graded stakes winner Cordmaker, who captured the inaugural running of the Manfuso Stakes. Manfuso died in March 2020 at the age of 82.

For 3-year-old fillies 1988 to present. Run as Columbia Handicap 1986 and 1987; Columbia Stakes 1988 through 1995

Grade 3—1990 to 2007

Eclipse Award winner Safely Kept was a Marylander through and through. A daughter of longtime Maryland sire Horatius, Safely Kept was bred by David and Jo Ann Hayden and born at their Dark Hollow Farm in Upperco, Md., in 1986. The Haydens had claimed Safely Kept's dam, Safely Home (by Winning Hit) for \$11,500 at Bowie in the spring of 1980.

Safely Kept campaigned exclusively in Maryland as a 2-year-old. After running her three times, offers poured in and the Haydens sold their star filly for \$300,000 to a partnership headed by Barry Weisbord, under whose colors she would compete for the rest of her career. Safely Kept's accomplishments included: earning \$2,194,206—the first sprinter to go over \$2 million in earnings; the first Maryland-bred to win a Breeders' Cup race—the Sprint-G1 in 1990; won an Eclipse Award as champion sprinter of 1989; was Maryland-bred Horse of the Year twice (1989, '90); earned Maryland-bred championships each of the four years she ran; and won three Maryland Million Distaff Handicaps. She won 24 of her 31 starts and placed in five others: 22 of her victories came in stakes. Safely Kept was retired following a victory in the Meadowlands Budweiser Breeders' Cup-G3 during which she injured her right front ankle. As a broodmare, she is represented by stakes winners Peace Chant and Contrast. Safely Kept died due to infirmities of old age in April 2014 at Burleson Farm in Kentucky at age 28. She was inducted into the National Racing Hall of Fame in 2011 and the inaugural class of the Maryland-bred Thoroughbred Hall of Fame in 2013.

*2000—Dawn Princess DQ from 2nd to 4th

Run on main track 1995, 1999, 2022

For fillies and mares, 3 & up, prior to 2022

Searching was destined to be a star. Bred by Ogden Phipps, she was a daughter of Triple Crown winner War Admiral out of the Black Toney mare Big Hurry. Searching's second dam was *La Troienne, one of the most important broodmares in racing history.

Phipps sold Searching to trainer Hirsch Jacobs privately during the filly's 3-year-old season for \$15,000 when she hadn't shown much promise on the track. Jacobs had much better success with his new purchase, sending out Searching to win 12 stakes and place in 13 others, for earnings of \$327,381, over the next three years. Counted among her victories were two runnings of the Gallorette Stakes at Pimlico.

As a broodmare, Searching was priceless. Her first foal was champion Affectionately, a winner of 18 stakes, \$546,659 and dam of 1970 Preakness winner and horse of the year Personality. Her second foal was stakes winner Admiring, the granddam of Kentucky Derby winner Sea Hero. Her third foal, Priceless Gem, was also a stakes winner and the dam of Prix de l'Arc de Triomphe winner Allez France, a four-time champion and horse of the year at 4 in France. Jacobs sold Searching in 1964, the year after foaling Priceless Gem, for \$150,000 to George Humphrey. She died at Humphrey's Whileaway Farm in Kentucky in 1973 at the age of 21.

Foaled in England in 1745, the great race mare Selima was imported to this country in 1750 (or 1751) by Benjamin Tasker Jr., who managed the famed Belair Farm in Prince George's County. The daughter of the Godolphin Arabian, considered "queen of the turf," also gained fame as a broodmare.

Turf sprinter Sensible Lady took consecutive runnings of Pimlico's The Very One Stakes in 2012 and 2013, two of her seven wins in 14 starts at 3 and 4. The Street Sense filly was trained by Tim Salzman for Three Lyons Racing, who purchased her for \$9,500 as a 2-year-old at Ocala's April sale. She went on to earn \$436,640 from 22 starts. From May 2012 to June 2013, the filly won six stakes while racing at Pimlico, Colonial Downs, Penn National and Saratoga and placed in three others during the 10-race streak.

For Maryland-breds—2006 to 2013

Allaire duPont's fourth-generation homebred Shine Again was brilliant over three seasons of competition in which she was named Maryland-bred Horse of the Year of 2003, Maryland-bred champion older mare three consecutive times and earned the state-bred champion sprinter title twice. She retired after the 2003 season as the ninth leading Maryland-bred money-earner of all time, with \$1,271,840. From 34 career starts, she won 14 races (seven stakes), was second 10 times (eight stakes) and third in seven others (five stakes).

A daughter of Wild Again out of the Two Punch mare Shiner, Shine Again didn't get her first stakes success until age 4. Under the guidance of Hall of Fame trainer Allen Jerkens, Shine Again won four stakes that season, topped by the Grade 1 Ballerina Handicap at Saratoga plus the Grade 2 First Flight Handicap, and placed in three stakes, all graded. The next year, she returned to successfully defend her title in the Ballerina and First Flight Handicaps, and her five stakes placings, again all graded, included the Grade 1 Ruffian Handicap. She just missed a three-peat in the Ballerina and First Flight at age 6, finishing close seconds, but took the Genuine Risk Handicap-G2 and placed in four additional graded stakes.

*1995—Deadheat for 1st; †1996—Clash by Night DQ from 2nd to 6th

Run as Barbaro Stakes 2007, 2008

Sir Barton was the first horse to capture the three races that later became known as the Triple Crown. The temperamental chestnut colt entered the 1919 Kentucky Derby a maiden, and within 32 days won the Derby, Preakness, Withers and Belmont Stakes (setting a new American record in the Belmont for 1³/₈ miles). The four-race sweep would not be duplicated until Count Fleet accomplished it in 1943.

A son of *Star Shoot—Lady Sterling, by Hanover, Sir Barton was bred in Kentucky by John E. Madden and English trainer Vivian Gooch. Madden bought out Gooch's half-interest and later sold the colt as a 2-year-old to Commander J.K.L. Ross for \$10,000. Under trainer H. Guy Bedwell's care, the colt—who was known to lose his shoes during many races because of shelly hooves—showed little promise at 2. But he made up for it at 3 when he was the country's leading money winner with earnings of \$88,250. He won or placed in all 13 starts that season, including the Potomac Handicap under 132 pounds and the Maryland Handicap under 133. But Sir Barton is perhaps best known for his match race the following season with Man o' War. Many felt that Sir Barton was not at his best, and Man o' War won easily by more than seven lengths. Sir Barton retired after his 4-year-old season with a record of 13 wins and 11 placings from 31 starts, for total earnings of \$116,857. At stud, Sir Barton sired eight stakes winners, including top 3-year-old filly Easter Stockings. But the Triple Crown champion was considered a failure as a sire, and ended his stud career at a remount station in Wyoming, where he died in 1937.

Skipat, a rangy, 17-hand chestnut daughter of Jungle Cove, won 26 races from 45 starts over six years, earning \$614,215. She recorded two of her 14 stakes wins in the Barbara Fritchie Handicap-G3 at Bowie, in 1979 and 1981. Her second score in the Barbara Fritchie came after the mare had been retired and bred in 1980. When Skipat aborted her foal, she was put back in training and earned another \$200,000 before being retired for good in the spring of '81.

Bred by John A. Grondin of Norwich, Conn., Skipat was out of a \$1,000 mare (*Conquian, by Primera), by a stallion who stood for \$1,500. Foaled in Connecticut, Skipat campaigned for Grondin and earned over \$400,000 before being sold to Baltimore attorney C. Peter Beler for nearly \$500,000 in the summer of 1980 at the age of 6. Trained by Daniel Hasbany while owned by Grondin, Skipat was transferred to Leon Blusiewicz's barn after the sale. Beler kept the mare and bred her to such outstanding stallions as Alydar, Relaunch and Sovereign Dancer. Of her four foals, two were winners. Tragically, the mare was struck and killed by lightning in August of 1989 while being boarded in Kentucky. The foal at her side, a filly by Relaunch named Skilaunch, was unharmed, and went on to produce five stakes horses from five foals.

Spectacular Bid lived up to his name. Based in Maryland with Hall of Fame trainer Grover “Bud” Delp, Harry Meyerhoff’s Hawksworth Farm colorbearer was an Eclipse Award winner at 2, 3 and 4, won at 15 different tracks in nine states, broke seven track records, had win streaks of 12 and 10, respectively, and was described by his trainer as “the greatest horse to ever look through a bridle. He broke his maiden in his career debut at Pimlico in June 1978 and when he retired with a walkover in Belmont Park’s Woodward Stakes-G1 in September 1980, he had won 26 of 30 starts, 13 in Grade 1s including the Kentucky Derby and Preakness, and was worse than third only once (in his stakes debut at 2 at Monmouth) while earning \$2,781,608. He was named Horse of the Year in 1980 when undefeated in nine starts and two years later was inducted into the National Racing Hall of Fame.

Harriet and David Finkelstein's Stormy Blues (Cure the Blues—Gussie's Appeal, by Valid Appeal) proved to be one of the top 2-year-old fillies of 1994 when the pretty bay went 4-for-6 (with two thirds) in top class company. That season she captured her first two starts by a combined margin of 25 lengths, won the Grade 1 Matron Stakes at Belmont (on the disqualification of Flanders), the Grade 3 Sorority Stakes at Monmouth (in her second start) and Laurel Park's Grade 3 Selima Stakes. She finished out her juvenile campaign with a third-place finish in the Breeders' Cup Juvenile Fillies Stakes-G1 behind eventual champions Flanders and Serena's Song.

Trained by Scotty Schulhofer and racing under the Finkelsteins' H & D Stable colors, Stormy Blues placed in two stakes at 3 when second in the Grade 2 Comely and Cicada. Stormy Blues retired that October with a record of four wins in 10 starts, with two seconds and two thirds, and total earnings of \$441,510. Her first foal, the stakes-placed Ben the Man, sold for \$1,250,000 at the Keeneland September Yearling Sale of 1998. She is also the dam of stakes winner Forest Blue.

Maryland-bred Star de Naskra (1975, by Naskra—Candle Star, by Clandestine) was the Eclipse award-winning sprint champion of 1979. That season the dark bay colt won six of ten starts including the Whitney and Bold Ruler Stakes, and Carter and Cornhusker Handicaps. Bred and owned by Carlyle (Jiggs) Lancaster of Bowie, Maryland, and trained by Richard Ferris, Star de Naskra won stakes each of the three seasons he raced. Also named Maryland-bred horse of the year and champion older horse of 1979, he retired with earnings of \$587,391 from 36 starts, with 15 wins, 10 seconds and four thirds.

Lancaster sold a half-interest in the colt to William duPont III in the spring of 1979. Upon retirement, Star de Naskra entered stud at duPont's Pillar Stud in Lexington, Ky. Later moved to Darby Dan Farm in Lexington, Star de Naskra sired nearly 50 stakes winners, including such accomplished runners as Sewickley (\$1,017,517, Vosburgh H-G1 twice, etc.) and Travers-G1 winner Carr de Naskra. Star de Naskra was euthanized due to infirmities of old age in October 2000. He was inducted into the Maryland-bred Thoroughbred Hall of Fame in 2022.

Harriet and David Finkelstein's Stormy Blues (Cure the Blues—Gussie's Appeal, by Valid Appeal) proved to be one of the top 2-year-old fillies of 1994 when the pretty bay went 4-for-6 (with two thirds) in top class company. That season she captured her first two starts by a combined margin of 25 lengths, won the Grade 1 Matron Stakes at Belmont (on the disqualification of Flanders), the Grade 3 Sorority Stakes at Monmouth (in her second start) and Laurel Park's Grade 3 Selima Stakes. She finished out her juvenile campaign with a third-place finish in the Breeders' Cup Juvenile Fillies Stakes-G1 behind eventual champions Flanders and Serena's Song.

Trained by Scotty Schulhofer and racing under the Finkelsteins' H & D Stable colors, Stormy Blues placed in two stakes at 3 when second in the Grade 2 Comely and Cicada. Stormy Blues retired that October with a record of four wins in 10 starts, with two seconds and two thirds, and total earnings of \$441,510. Her first foal, the stakes-placed Ben the Man, sold for \$1,250,000 at the Keeneland September Yearling Sale of 1998. She is also the dam of stakes winner Forest Blue.

Purchased out of a 1977 Maryland 2-year-old sale in Timonium for \$22,000 by Maryland horsewoman Helen Polinger, The Very One went on to become one of the best racemares in training during the late 1970s and early 1980s. The daughter of One For All out of *Veruschka, by Venture VII, won 22 races from 70 starts, placed in 20 others and earned \$1,030,120. She began her career in claiming races and graduated to stakes company at 3, with victories in the Chrysanthemum Handicap-G3 and Anne Arundel Handicap at Laurel. Over the next three seasons, The Very One won seven more graded stakes, including the Grade 1 Santa Barbara Handicap in California, the Dixie Handicap-G2 at Pimlico over males and a second running of the Chrysanthemum Handicap-G3. Her 15 graded stakes placings included seconds in the Washington, D.C., International Handicap-G1 and Santa Margarita Invitational Handicap-G1, and thirds in the San Juan Capistrano Invitational Handicap-G1, Turf Classic Stakes-G1 and Japan Cup-G1.

Retired to Polinger's broodmare band at her farm in Olney, Md., The Very One never produced a runner equal to herself, but seven of her yearlings sold for a combined total of \$1.96 million. In 1992, at the age of 17, The Very One died as a result of a pasture accident at Polinger's farm.

Thirty Eight Go Go, a two-time Maryland-bred champion, was bred and conditioned by Hall of Fame trainer King T. Leatherbury. A daughter from the first crop of Leatherbury-trainee Thirty Eight Paces, Thirty Eight Go Go was the top Maryland-bred 2-year-old filly of 1987, winning the Grade 2 Gardenia Stakes and Grade 3 Tempted Stakes as well as the Maryland Million Lassie Stakes. She competed for longtime Leatherbury clients and friends Janet and Morgan Wayson, who purchased her out of the 1986 Fasig-Tipton Select Yearling Sale at Timonium for \$17,500.

Over the next four seasons, Thirty Eight Go Go won five more stakes, including three runnings of the Geisha Handicap, and placed in 10 more added-money races, seven graded, including the Ladies Handicap-G1, Delaware Handicap-G1 and Black-Eyed Susan Stakes-G2. She earned her second championship title at 4. Racing through the age of 6, Thirty Eight Go Go earned \$871,229 from 46 starts, with 10 wins, seven seconds and six thirds. The Waysons sold their mare privately for \$250,000 to D.W. Hutson at the conclusion of her racing career. Thirty Eight Go Go was bred to Lyphard three times, and one of those foals, Toyo Lotus, campaigned successfully in Japan. Thirty Eight Go Go was exported to Japan in 1996 and her last reported foal, a colt by Sunday Silence, was born in 2000.

A Maryland-bred champion each year she raced, from 1972 to 1975, Mr. and Mrs. John Merryman and Mrs. John M. Franklin's Twixt retired in 1975 as Maryland's all-time money winning mare. Maryland-bred Horse of the Year twice (1973 and 1974), Twixt earned \$619,143 from 71 starts, and her 18 stakes wins (including the Barbara Fritchie twice), were also a Maryland-bred record on the flat. The Restless Native mare, a foal of 1969 out of Eveleen, by Quarter Deck, was bred by the Merrymans and trained by their daughter Katharine (Katy) Merryman Voss. She was inducted into the inaugural Maryland-bred Thoroughbred Hall of Fame class in 2013.

Weather Vane was named Maryland-bred champion older female of 1998 off a campaign in which she made at least one start every month, and captured six stakes from 14 trips to the post. Trained by Richard Delp for Par Four Racing Stable, the daughter of Maryland sire Willard Scott out of the Shelter Half mare But in Vain had an even better campaign at 3 when winning eight stakes—the most of any state-bred that year—from 14 starts. An injury in a workout in late December 1998 halted her racing career and she retired with a record of 17 wins, 14 of them stakes, from 36 starts, for earnings of \$724,532. Her biggest scores came in the Grade 3 Safely Kept Stakes at 3 and the Maryland Million Distaff Handicap at 4.

As a broodmare, Weather Vane produced six foals, all winners, including stakes winner So Vain, herself a stakes producer.

Weber City Miss was a true rags to riches story. By a stallion who stood for \$500 out of a mare who ran for low-level claiming prices, she ranked among the best distaffers in the nation. Named Maryland-bred champion 3-year-old filly of 1980, she won that spring's Black-Eyed Susan Stakes-G2 and Hilltop Stakes at Pimlico, and among her stakes placings were seconds in the Alabama Stakes-G1, Test Stakes-G2 and Monmouth Oaks-G2 and a third in the Grade 1 Ladies Handicap. The next year she won four stakes, including the Grade 2 Molly Pitcher. She recorded her first Grade 1 win with a dominating score in the 1982 Beldame Stakes. From 40 career starts she won 17 times (nine stakes), and placed in 17 other outings, earning \$687,109. Thirteen of her 21 stakes wins or placings came in graded company.

Bred by James Rasnick, the daughter of Berkley Prince out of Esirnus, by Sunrise Flight, was campaigned by Rasnick until her last start at 3, when she was sold to Joseph Allen for a reported \$500,000. Allen retired her to his broodmare band, and the first foal she produced, to the cover of Seattle Slew, was millionaire Slew City Slew, a multiple Grade 1 winner who went on to a long and successful stud career. She was also the dam of stakes-winning fillies City Dance and Dream Touch.

What a Summer, a gray mare by What Luck out of Summer Classic, by Summer Tan, was the Eclipse Award-winning sprinter of 1977. Bred in Maryland by Milton Polinger, What a Summer, a foal of 1973, won 18 of 31 starts during her career. She captured the Fall Highweight Handicap twice (carrying 134 pounds each time), Silver Spoon Handicap twice, Maskette Handicap and Black-Eyed Susan Stakes, plus three other stakes, placed in nine stakes, and retired with earnings of \$479,161. Trained by Bud Delp while racing for Polinger, What a Summer was bought by Mrs. Bertram Firestone following Polinger's death in 1976. Mrs. Firestone turned the mare over to trainer Leroy Jolley. Maryland-bred Horse of the Year in 1977 and twice champion older mare, What a Summer was retired following the 1978 season. As a broodmare, she produced Grade 3 stakes winner Gather the Clan (Ire), by the Firestones' stallion General Assembly. She was inducted into the Maryland-bred Thoroughbred Hall of Fame class of 2020.

Maryland-bred Horse of the Year of 1991, Tom Tanner's Wide Country proved an indomitable force her 3-year-old season, running her win streak to eight races (all stakes at Pimlico and Laurel that began in the final months of '90). During the streak, the chestnut filly overcame adversity to win the Grade 2 Black-Eyed Susan Stakes over a muddy track after losing a shoe; she also won the Grade 3 Pimlico Oaks by a romping eight and a half lengths. Wide Country shipped to Belmont and Meadowlands during her campaign to place in graded company. Trained by Bob Camac, Wide Country had fulfilled the promise shown at 2 when she captured three Maryland-bred stakes on her way to state-bred championship honors.

Wide Country placed three times at age 4—in the Go for Wand Stakes-G1, Barbara Fritchie Handicap-G2 and Conniver Handicap—and retired with a record of 20 wins or placings in 26 starts, for career earnings of \$819,728. The filly, a daughter of Magesterial—Bazooka Babe, by Mullineaux, was bred by Diana Carlson and sold to Tanner as a 2-year-old for \$50,000. The Tanner family owned her until her death at age 25 in October 2013.

Willa On the Move, a star performer of the 1980s, was one of the best fillies never to win a state-bred championship. A 1985 daughter of Assert (Ire) bred by Silver Spring, Md.-resident Robert Quinichett, she won or placed in five Grade 1 races from 13 starts. Her victory in the 1988 Ashland Stakes-G1 was the fifth stakes win in a row in the spring of her 3-year-old season. Willa On the Move concluded her career exclusively in Grade 1 events, with seconds in the Gazelle Handicap and Spinster Stakes and thirds in the Kentucky Oaks and Alabama Stakes. Raced by Quinichett before being sold privately late in her 3-year-old season to Ron Lamarque, Willa On the Move won six times, was second or third in another five, and earned \$442,063.

Out of the Tentam mare Willamae, Willa On the Move was a half-sister to Grade 1 Travers Stakes and Whitney Handicap winner Will's Way, and leading Maryland sire Citidancer. Her half-sister Willa Joe (Ire) produced a filly by Two Punch in 1999. Also bred by Quinichett, the filly was sold as a yearling at the Fasig-Tipton Midlantic Eastern Fall Yearling sale and purchased on behalf of Peter Angelos for \$47,000. Angelos named her Willa On the Move, after one of his favorite runners. The chestnut filly won or placed in seven stakes, was Maryland-bred champion 3-year-old filly of 2002 and retired with earnings of \$363,940 from a dozen starts.

A pint-sized dynamo who spurred the dreams of every race horse owner on a budget, Xtra Heat became a multimillionaire, a champion and the darling of the racing world while racing four seasons from 2000 to 2003. The exquisite bay filly was sold three times at auction, never for more than \$10,000, with trainer John Salzman plucking her out of the Fasig-Tipton Midlantic May 2-year-olds in training sale in Timonium for \$5,000. Xtra Heat raced the majority of her career for Marylanders Salzman and co-owners Harry Deitchman and Kenneth Taylor. Upon her retirement in April 2003, the daughter of Dixieland Heat and the Hatchet Man mare Begin had earned a total of \$2,389,635. She also established a new record for stakes wins for a filly or mare, having won 25 added-money events, including her final start, a second consecutive Barbara Fritchie Handicap-G2 at Laurel Park. Xtra Heat had been sold privately at the end of 2002 to Classic Star for \$1.5 million, and raced under the Classic Star colors in her final season of competition.

Eclipse voters bucked tradition when they named Xtra Heat the champion 3-year-old filly of 2001, for Xtra Heat was strictly a sprinter, having never competed beyond seven furlongs that year. But her stellar 3-year-old record saw her finish first, second or third in all 13 of her starts—every one a stakes. In her final two starts that season, she finished a courageous second to Squirtle Squirt in the Breeders’ Cup Sprint-G1, in which she set all the pace and was beaten a neck, and was third in the Grade 1 Frank J. De Francis Memorial Dash, her first two attempts against males. A graded stakes winner every year from ages 2 to 5, Xtra Heat counted among her 11 graded victories the Grade 1 Prioress Stakes. She also finished third in the Dubai Golden Shaheen-G1 against males. From 35 lifetime starts, she won 26 races, had five seconds and two thirds. She was inducted into the National Racing Hall of Fame in 2015.
