Special Wagers:

The Chesapeake 6 (P6) is a 20¢ minimum/maximum wager that pays the jackpot carryover to a single, unique winning 20¢ ticket. Multiple winners or "best of sixes" split 60% of the daily net pool. The remaining 40% of the daily net pool builds the jackpot carryover.

The 12% Takeout Value Pick 5's (P5) are 50¢ minimum wagers:

Both the **Early Pick 5** (Encompassing the first 5 races) and the **Late Pick 5** (Encompassing the last 5 races) pay their respective net Early or Late Pick 5 pool, along with any carryover from previous pools of their respective Early or Late Pick 5 wagers to bets which contain all the correct selections. If no bet contains all the correct selections, the daily net pool created is divided with 25% going to "best of fives" and the remaining 75% of the pool carried over to the respective pool on the next program. **Both the Early Pick 5 & the Late Pick 5 have carryover potential.**

Jackpot Super High 5 (PF) is a \$1 minimum/maximum wager that pays the jackpot carryover to a single, unique winning \$1 ticket. Multiple winners split 50% of the daily net pool. The remaining 50% of the daily net pool builds the jackpot carryover. If there are no winning tickets, the entire net pool is carried over to the next qualifying race. We are offering this in Race 6 daily.
